## **REMINDER to PARENTS**

### **Back to School Night Thursday, September 20th**

Parents are invited to attend our Back to School Night.

We ask that you park on both the left and right sides of the road that goes around the school. Please park on the road or in designated parking spaces and not on grass areas.

The evening will start in the Cafetorium with the Principals' Opening remarks at 6:30 P.M. Parents will "report to homeroom" at 7:00 P.M. to pick up their child's schedule; schedules will not go home with students. Parents will follow the schedule tailored to the Team their child is on.

We look forward to seeing you!
