

Dance Shuttle Bus

In order to attempt to alleviate the traffic congestion at the middle school after dances, we will be offering an optional shuttle bus service to 3 locations in Foster and Gloucester.

The Monday before each dance there will be a sign-up sheet in the Assistant Principal's office. Students who wish to ride the shuttle must sign up by Tuesday of dance week, provide a cell phone number for the person who will be meeting the bus, and pay \$2.00. We need a minimum of 50 students to pay for each bus.

The buses will then transport the students, with a chaperone aboard, to Paine School, Fogarty School and behind the town hall in Chepachet. Some dates may require a change in location in order to accommodate events at the elementary schools.* Parents will come up to the bus to get their student and take them home. Any student whose ride is not at the location waiting for them will be excluded from the next dance.

Procedure:

- Students will be dropped off at the dance as usual.
- At 8:45, an announcement will be made at the dance for students riding a shuttle to board the shuttles.
- Shuttle buses will leave the school at 8:55.
- Shuttles will arrive at destinations between 9:05 and 9:15.
- Parents will come to the bus to take students home.

* October 24 Fogarty bus will drop off at a location to be announced.

If you have any questions, call Mrs. Ragno at 647-3361 ext 2241
