

The Ponaganset Middle School PTO is pleased to announce a new eco-friendly fundraising program from Mother Earth Fundraising. We receive 25% profit on all purchases credited to us at www.motherearthfundraising.com.

The website features things like 100% recycled gift wrap, 'green' school supplies, reusable shopping bags, organic dry mixes, soy candles, fair-trade items, and eco-friendly household and personal products.

Instead of picking up your order at school, these items will be shipped directly to your home via UPS.

Mother Earth Fundraising also operates in a responsible manner: they are a paperless company that uses only eco-friendly packing materials and purchases carbon-offsets to make all of your orders 'carbon-neutral'.

You can purchase items anytime throughout the year and we will continue to receive credit. You can begin supporting us by:

1. Visiting www.motherearthfundraising.com
2. Select our group from the 'New Customer' area
3. Browse products and add them to your shopping cart
4. Fill in your student's name in the optional 'Student/Member Credited'.

Your order will be shipped with a UPS service of your choice and you will have the opportunity to track your package at all times.

Thanks again for your support.
