

Ponaganset Middle School

Notice to Parents September 17, 2007

Established Traffic Patterns for the New School Building

Morning drop off and Afternoon and pick up: all buses and faculty/staff enter through second driveway and proceed to the rear of the school. Cars dropping off students will enter through the second driveway, bear right and pull up along the front sidewalk. Cars waiting in line to drop off students will line up along the right side of the one way entrance and along the right side of Rustic Hill Road, out of the line of traffic. In the afternoon at dismissal, students must be picked up in front of the school. Again, cars will enter through the second driveway, bear right and pull up along the front sidewalk. Cars waiting in line to pick up students will line up along the right side of the one way entrance and along the right side of Rustic Hill Road, out of the line of traffic. Students are to wait on the sidewalk at the front of the school until their parents pull up; students are not allowed to go find cars in the driveway or on the road.

Late buses will go to the back of the school. Students will be picked up there.

Dances: all parents are to enter the second driveway and follow the one-way pattern toward the back of the school and continue around the school to the stop sign. There, they must take a right toward the front of the school, dropping off and picking up students in the front of the school. Students will be waiting in the front at the end of the dance. Again, students must be picked up at the front of the school and remain on the sidewalk. Any student who leaves the front to find parents in the driveway or road will be restricted from the next dance.
